

## 2008 CAMP CARD KICK-OFF UNIT INFORMATION

How the **Camp Card Sale** works:

1. Determine the number of cards you believe your unit will sell. (Remember you can return any unsold cards.)
2. Attend your district kick-off and pick-up your cards. Scouts are welcome to attend the kick-off to help with your distribution.
3. Distribute the cards to the Scouts and let them go sell.
  - Have their parents take them to work
  - Set-up in front of a store as a unit
  - Ask all of your friends and neighbors this card is a great value and should sell itself
4. For every **25** cards sold the Scout is eligible for a weekly prize drawing as well as the grand prize drawing. To qualify the Scout must turn in the sales verification postcard to the Scout Service Center with the **Unit Leaders Signature**. The postcards can be faxed to 502-361-7899. **See the camp card sales sheet for prize drawing details.**
5. Turn in your money and any unsold cards at Scout-O-Rama. Remember the Scouts keep their commission up front. **Please use the attached tracking sheet to settle your account.**
6. Scouts who will be attending Summer Camp, Cub and Webelo Resident Camp or Day Camp in the Lincoln Heritage Council can have their commissions applied directly to their camp fees.
7. Get ready to enjoy a great summer camping season.

That's it! What a simple and easy program to help the kids earn some serious cash for camp or equipment.
