2012 Feb-May Training Dates & Information

Every Boy Deserves a Trained Leader

The Lincoln Heritage Council encourages and supports its volunteers in becoming fully trained to ensure that our youth are having a great Scouting experience. Our council also requires that ALL Direct Contact Leaders are TRAINED. This brochure outlines some of the 2012 training opportunities. We do remind you that an important opportunity for training comes from your monthly Roundtable meetings and we encourage you to attend those regularly.

What Makes a Trained Leader?

2012 WOODBADGE – SCOUTINGS BEST SUPPLEMENTAL TRAINING!

Wood Badge is the ultimate personal and professional growth training program offered by the Boy Scouts of America; it is a national course curriculum delivered locally by our council's volunteer staff.

Wood Badge is about enhancing your leadership skills through hands-on experience, to help you take those skills back to your unit or District and put them to work to develop effective leaders and youth where you serve. The instructional portion of the course consists of the two 3 day weekends, followed by an 18-month application phase in which each participant completes what is known as their "ticket", a series of personal goals developed during the course. For more information on our upcoming course and for a registration form please visit our website.

Woodbadge Upcoming Course:

- LHC-1239 Fall Course 2012
- All Day Sept. 28 – 30th at Camp Crooked Creek
- All Day Oct. 19 – 21st at Tunnel Mill Reservation
